STORY ONE

Life Brings Us New Beginnings.

A young student leaves home for the first time. Everything is unfamiliar—the campus, the routines, the expectations. While parents worry from a distance, the student feels the weight of a fresh start.

GIA™ COMPANION

"Good morning, Alex. I've identified three student organizations that match your interest in architecture. Would you like to see their meeting times for this week?"

CONFIDENCE INSTEAD OF ISOLATION

ACT II: LIFE STORIES

Moments That Test Our Confidence.

A young professional walks toward her car in a dimly lit parking structure late at night. The silence is heavy, and every shadow feels like a question.
